Carrier Strap

Handheld Operating Panel

1 Introduction

This quick guide contains all relevant information for correctly assembling the carrier strap for 10" wireless handheld operating panel. The carrier strap can be used for handheld devices in portrait, as well as landscape format.

The appropriate edge protector can be acquired under the order number: 12-246-1033-Z1
This is not included with delivery.

1.1 Contents of Delivery

- 1x carrier strap
- 1x mounting fixture (carrier plate) with 2 M3 threaded bolts
- 2x knurled nut

2 Mounting

In the edge protector, there are 2 indentations for portrait and landscape format respectively. The mounting fixture is used connect the edge protector with the carrier strap. The threaded pins of the mounting fixture are pushed outward from the inside. The tabs thereby created must be removed.

Inner view, portrait format

Next, places the carrier strap into the threaded bolts.

Outer view, portrait format

Secure the carrier strap using the two knurled nuts.
